

Warranty conditions for the Eibach Warranty Pass

1. Eibach grants a voluntary material warranty of 5 years valid from the date of purchase of the Springs, Wheel Spacers and Anti-Roll-Bar Kits.
2. Eibach cannot grant a voluntary material warranty on purchase – for wear parts like wheel bolts, dampers, attachment parts, bump stops, clamps or spring plates as these parts are subject to legal warranty deed and Eibach only can make a claim according to the context of the entrepreneurial recourse (§§ 478, 479 BGB).
3. The legal fault rights of the consumer according to §§ 437 BGB will not be limited through the voluntary material warranty.
4. Name and address of the warrantor
Heinrich Eibach GmbH, Am Lennedamm 1, 57413 Finnentrop
5. Period of the voluntary material warranty
5 years off the proved date of purchase
6. Scope of the voluntary material warranty
Worldwide
7. Assertion on the voluntary material warranty
To make a claim please submit the issued warranty pass along with the purchase documents such as invoice or delivery note and the damage pictures.
